to purchase stablecoins (E-money tokens – EMTs). This content has not been reviewed or approved by any competent authority of an EU Member State. AllUnity GmbH bears sole responsibility for its content. This is directed exclusively at legal entities and business customers (B2B only) and is not addressed to natural persons, retail customers or consumers.

The White Papers under Art. 51 MiCAR have been published with all material information, including the EMT holders' redemption right, information on the risks and the mandatory information on principal adverse impacts on the climate and other environmental-related adverse impacts of the consensus mechanism.

The White Papers are available at: allunity.com/whitepapers.

In the event of any inconsistency or discrepancy between the PDF and XHTML formats in AllUnity White Papers, the PDF versions shall prevail.

Redemption Right: Pursuant to Article 49 MiCAR, the holders of EMTs have a statutory right of redemption against AllUnity at any time and at par value.

Click here to view the full terms and conditions and privacy information. In the event of any inconsistencies between English and German contents, the English version shall prevail.
