$avoid — Avoid AI Writing

Use your credit card to audit and rewrite AI text.

Try our Chrome Extension →

How it works

1Buy audit credits with your card — packs from $5
2Paste text you want audited
3Get AI writing audit + clean rewrite

Prefer crypto? You can pay by burning ~$0.35 of $avoid per audit instead.

Pay with cardCredit packs from $5. No wallet needed.~$0.25 per audit

Enter your email | Check credits

$5 · 10 audits | $10 · 30 audits | $20 · 65 audits

Credits remain valid until used — no plans to take the tool down.

Writing style: Blog post (default) Adjusts rule strictness — e.g. hashtags ok on social, jargon ok on technical. Pay with $avoid instead

Paste your text here...
