Overview

BoxBet is revolutionising the crypto iGaming world through its Telegram focused mobile-first platform. Backed by tier one investors including CMCC↗ alongside industry heavy-weights BoxBet has the firepower and team to disrupt the iGaming industry. Launched in 2025 the platform delivers a sleek, seamless experience through its state-of-the-art website and Telegram app. Get ready to immerse yourself in thrilling slots, sports betting, live card games, jackpots, lotteries, and much more. BoxBet goes beyond entertainment with a powerhouse rewards program that includes deposit bonuses, exciting weekly and monthly competitions, jackpots, and a loyalty program filled with exceptional perks for dedicated players.

At the core of BoxBet is BXBT, our native ERC20 utility token, fairly launched on Uniswap with a significant public float. BXBT stands out with its deflationary structure, featuring a buy-and-burn mechanism designed to create increasing scarcity as it approaches a remaining supply of 25%. BXBT is a utility token designed to provide loyalty benefits and much more for our regular players. Join BoxBet to experience a platform where gaming and rewards meet the excitement of true crypto innovation.
