Beyond Memes: Introducing the $BRAT Ecosystem

This document presents the vision and core concepts behind our decentralized application (DApp) and its native token, **$BRAT**. It serves as a blueprint to define our objectives and outline the structure and features of our community-driven dashboard.

Our goal is to build a dynamic ecosystem that emphasizes community engagement and rewards active participation, going beyond the conventional memecoin model.

This whitepaper is a foundational guide for potential investors, community members, and stakeholders, clearly communicating our vision and strategic goals.
