About CatWifHat

CatWifHat is simply Cat Wif A Hat, we find that wearing hats on cats makes them more interesting. Why don't you try it? Put a hat on your cat or simply add a hat to pictures of cats to create funny memes.

CatWifHat is a token driven by the community, by cat lovers, and by people who love memecoins. Have you noticed that dogs are dominating the memecoin rankings and our favorite cats are way behind? We don't want that to happen anymore! A war between dogs and cats on the memecoin leaderboard has broken out, CatWifHat will lead this war! Let's see...
