What is Unique Human?

Unique Human (UH)↗ connects World ID holders ("Unique Humans") with DApps offering exclusive benefits like airdrops and whitelists, for real people, not bots. UH is powered by Changer ($CNG).

What is Changer ($CNG)?

While UH is a platform, Changer ($CNG)↗ is the platform's native currency. Users use the Changer tokens to transact with airdrops, whitelistings, stakings and more. Changer also contributes to the Unique Human DAO, a group of projects and individuals working to make UH sustainable and beneficial for everyone. Additionally, Changer functions as the alliance cryptocurrency for Web3 & AI projects.
