Cosanta

ecosystem

Archived copy · cryp2nova.com

About the project

Efficient Security

Cosanta is the proof-of-stake coin, which means it doesn't require massive computing power to secure the network. Get into the nitty-gritty with the Cosanta whitepaper.

Limited Supply

Cannot be printed or debased. Only 56.04 million COSAs will ever exist.

Coin stacking

After Cosanta are held for 24 hours, they are eligible to earn a **50 COSA*** reward and it will be halved each 4 years.

* **In the first years, the reward will increase from 0.01 to 50 COSA**. Learn more about minting or you can also get started by buying coins from one of the many Cosanta exchange.

Specifications

ROI
Pool + masternode ROI ? Combined overview based on COSA pool data and current masternode reward stats.
