🔰 Whitepaper $AIC - AI Crypticorn

Whitepaper for Crypticorn's token: AIC that powers the whole artificial intelligence trading ecosytem.

What is Crypticorn?

Crypticorn is at the forefront of cutting-edge artificial intelligence cryptocurrency trading. We are leveraging AI to provide precise predictions for price, trend and more as well as a variety of essential services.

Our platform provides AI-powered predictions, cutting-edge automated trading bots with optimal risk management, user-friendly, active trading terminal, and sentiment analysis that adapts to market changes.

Crypticorn offers AI-based solutions for both active and passive investors, including:

- Prediction Dashboard (price chart, trend, etc.) with trading terminal,
- AI Trading Bots with different strategies (trend, mean-reversion, etc.),
- DEX AI Signals for newly launched tokens,
- DEX AI Bots,

To enhance the functionality and user experience of our ecosystem, Crypticorn is introducing a utility token that is seamlessly integrated with our artificial intelligence capabilities and powers the whole ecosystem.
