Introduction to Decubate Ecosystem

Decubate started with a vision: to provide a platform for Web3 entrepreneurs to launch innovative ideas. We are known for our role as a launchpad in the Web3 community. But, we always aimed for more. We understood the importance of **creating an ecosystem**, a supportive space where projects can thrive and achieve their maximum potential. This is where our real mission came into focus.

Today, **Decubate stands as a testament to that mission.** Our platform has grown into a diverse ecosystem that attracts investors in search of top-notch projects and entrepreneurs eager to start their journey into the world of Web3. Our blend of a launchpad's excitement and a long-term support system's stability sets us apart.

We connect you with a network of investors, fueling growth through private rounds, IDOs, and community crowdfunding initiatives. Our commitment extends beyond funding. White-label solutions and bespoke development options empower your project with efficiency and scalability. We ensure your vision reaches the right audience through strategic partnerships and promotional opportunities and gains deserved visibility. For investors, Decubate is a gateway to the future. Our curated selection of high-quality projects offers opportunities to be part of ventures with exponential growth potential. Investing with us gives you early access to innovative ideas and potential significant returns in a secure, trusted environment.

As of 31 July 2025, Decubate is authorised by the Autoriteit Financiële Markten (AFM) as a crypto-asset service provider under Regulation (EU) 2023/1114 (MiCAR), with licence no. 41000018, and is listed in the ESMA public register of CASPs.
