If you are reading this, then $DORITO has launched on Solana, in fair launch fashion; not out of necessity, but out of unconditional love for the spirit of creativity and camaraderie this ecosystem encourages.

Investor tokens have been sent to their respective owners raw and fully unlocked, meaning only those of TRUE FAITH in the divine $DORITO now remain. Team tokens will be vested lovingly over 1 year

EL DORITO

Fortune Favours The Gold

In addition to being the holders of the first gold chip asset, $DORITO holders who own 3,333 $DORITO (0.01% of the supply) or more will automatically be members of the El Dorito Country Club, entitled to feeless cross-chain swaps, on/offramps, savings vaults, physical gold/silver coins, and much, much more
