👋We Are Fort Block Games

Copy

Fort Block Games is an independent multifaceted game development company. Started by a team of dedicated professionals from the industry, FBG is using it's expertise to provide a complete experience for competitive gamers and fans, merging the world of gamefi and mainstream gaming.

FBG's flagship title, TAKEOVER combines the best parts of first-person shooters and new mechanics to create a new level of skill and unique experiences.

Fort Block Games also focuses on growth and strategic relationships. The team has grown since launch, and has plans to include game streamers into it's streaming platform ESPORTPLAYER.TV

As the industry shifts toward blockchain gaming, leading companies such as Sony are starting to incorporate Web3 gaming into their products.$FBG aims to create an environment that connects Web3 to a broader gaming ecosystem, utilizing blockchain in innovative ways not currently available for both gamefi & mainstream competitive gamers. Fort Block Games is providing a fun gaming experience that is nurtured with an innovative community element, to keep fans coming back for more.
