Welcome to the GAMEE wiki!

Built to play. Built to own.

GAMEE is a mobile-first gaming platform combining casual, quick-play fun with blockchain-powered rewards. We create **engaging casual games** that are easy to play, hard to put down, and built for true digital ownership.

With a proven track record in **Web3** and an ecosystem powered by **$GMEE**, GAMEE connects millions of players, creators, and partners to the future of play.

We have over 120 million registered users and have served over 10 billion gameplay sessions.

$GMEE is the key to the **Attention Network**, where play and ownership converge.
