Welcome to our HQ

There are 3 rules to win

Gekko

Firstly

you need to play in the big leagues. After all, you can't make a deal with a whale unless you're swimming with him.

Secondly

you need to be greedy.

Greed - like Meme Coins - for the lack of a better word, is good.

Thirdly

the most valuable commodity is information. Normies may flock to the next new coin like sheep. We, on the other hand, don't throw darts at a board. We bet on sure things.

If you're not with us, you're our exit liquidity
