GOLDEN RAT = LUCKY RAT !

Hi Rats!!! The wave on memecoin Binance Smart Chain has gradually formed, Dogs, Cats are fighting to see who is the leader animal on BSC, they have forgotten us smart rats with small bodies but growing herds quickly. GoldenRat was born to create an army of rats! Create a wave of Rats and beat the Dogs and Cats while they are still fighting each other!

The most important goal of Golden Rat

We understand that the greatest strength of Memecoin is the community. Golden Rat will focus its main resources on developing the community, building the Rats army and conquering all platforms. The goal of RATS is not to increase the price wildly, our goal is to build the community wildly!

No Cats, No Dogs, We are RATS!
