💰Introducing Jack Potts

Ask

Jack Potts is on a mission to become the world's largest purchaser of lottery tickets, a category that reached an estimated $450 billion in 2022, surpassing the combined size of the global television and music industries. Lottery sales account for roughly 45% of the $1 trillion global gambling market, highlighting both scale and opportunity.

Jack Potts removes the friction, borders, and complexity traditionally tied to lottery participation. Offering anyone, anywhere, a fast and intuitive way to enter the world's biggest draws. What was once limited by geography and fiat is now accessible through a single prompt, starting with Powerball, EuroMillions, Mega Millions, and SuperEnalotto. With 22 more lotteries across 12 countries on the way, Jack Potts opens up a seamless, crypto-native path to hundreds of millions in prize pools. Quietly powered by next-gen infrastructure like ACP and Virtuals.

Providing a seamless experience, users can claim $JACK as rewards on their Dashboard for winning entries. Jack Potts will unlock global access for lotteries and will eventually represent more than it.
