Welcome to Lif3, part of the Lif3 Ecosystem.

Lif3.com

Our in-house Decentralized Exchange (DEX), LIF3 Swap, acts as the heart of Lif3. The protocol consists of a variety of DeFi products, where users of all types can enjoy participating in the Game of Lif3 and utilize the different yield options and products to make the most of what this platform offers.

Lif3 began with a 90-Day Genesis that was hosted on Tomb.com ↗. During the 90-Day Genesis ↗, the Lif3 protocol was launched and created the ability to make swaps on Tomb Chain.
