Max Crowdfund Whitepaper

Max Property Group (MPG) is a group of real estate professionals, working together to make property investing safer, cheaper and easier. Max Crowdfund is the Group's brainchild, beginning initial development in Q4 2017. At MPG we remain true to our expertise and believe in "bricks and mortar" investing, with property asset backed products that meet a high level of investment criteria. The Max Crowdfund platform makes these traditional investments globally accessible and more affordable.

Not just any other crowdfunding platform, Max Crowdfund has taken the concept of alternative finance a step further, by overcoming market hurdles and streamlining the investment experience. The Max Crowdfund platform is:

– Global
– Multilingual
– Blockchain powered
– Regulatory compliant
– Asset backed
– Designed for investors and developers
– Developed by real estate professionals
