## Your Docusaurus site did not load properly.

A very common reason is a wrong site **baseUrl configuration**.

Current configured baseUrl = / (default value)

We suggest trying baseUrl = **/D:/Desktop/whitepapers/whitepapers_html/whitepapers/10590_MYRAD_MYRAD.html/**

# Myrad Documentation

**Verified Human Data Without Collecting Personal Information**

Myrad transforms verified digital activity into small, aggregated, privacy-safe behavior signals that organizations can rely on. Individuals contribute without exposing personal information, and organizations consume insights without handling raw data.
