👋Welcome to Peponk

Copy

Peponk— AI-based brand evolving beyond a traditional memecoin, we are a community-driven business built for fun, driven by utility.

NOTE: Please remember that Peponk's documentation, including this GitBook ↗, may be updated periodically to provide you with the most current information. Keep this in mind when referring to our documentation for the latest details.

REMEMBER: Peponk team members will never reach out to you first. Please contact us if you have any questions or concerns.

COMMUNITY: Join our Telegram ↗& X ↗ to get important announcements, updates and interact with the team and other community members.
