# 👋Welcome to solfiles

Copy

**Welcome to solfiles, we are more than grateful for checking our projects documentation, below you will find what are our categories.**

## Overview

In this section, you can see promotional materials such as videos and sneak peeks from our platform and also the key features and our vision for solfiles.

- 🔵 What we do
- 🟢 Our Features

## Product guide

As the name states, in this category we tried to explain as simple as it can be how you can use the platform and a short description of our project in order to fully be aware of what we are doing.

- 🟣 How to use the platform
