

### Community First

Every decision starts with the holders. The family decides the direction.

### Viral by Design

Memes, raids, and content built to spread fast and reward early believers.

Archived copy · cryp2nova.com

### Deflationary Burns

Scheduled buy backs and burns shrink supply and reward long term holders.

### OUR VISION

To prove that a meme token can be both fun and serious infrastructure for community wealth. SOLGIRL will become a household name on Solana, recognized everywhere from Telegram chats to global exchanges.

### OUR MISSION

Build the most loyal, creative, and rewarding family in crypto. Push SOLGIRL into every chart, every feed, and every conversation, all the way to the moon. 🌕
