💬Introduction

ONE TOKEN TO RULE THEM ALL

STRIKE has been developed and designed as an industry first token solution that is utilised in not one, but three different business entities that span and combine the Web 3, sports betting, and combat sports industries.

STRIKE grants exclusive seasonal and loyalty based rewards and benefits to our holders who continue to actively support and interact with and across our unique multi-industry ecosystem.

The world has never seen anything like STRIKE.
