About & Links

Tenset operates as a blockchain technology hub, offering services such as smart contract audits, development, and UI/UX design for crypto projects. The platform's core product is the 10set token, which incorporates deflationary mechanisms through regular burns. Tenset also runs a launchpad for emerging crypto projects, providing investment opportunities and support. Additionally, it features the Infinity program, where users can lock 10set tokens to receive daily rewards from various crypto projects.
