TriviAgent - Snapshot

Snapshot description of TriviAgent project.

Buy. Play. Compete. Win. Watch. Swap. Repeat!

VISION & CONCEPT

The first AI-driven & **Base**-powered **casual gaming platform**, on its way to becoming a **global**, **all-in-one multi-chain gaming destination**. Offering gamers a **unique experience** and enabling them to find **specific gaming categories that match** their interests.

TRIVI Highlights

Value Proposition	Market Opportunity	Competitive Advantage

Global, fully AI-driven all-in-one gaming destination operating on-Base.
