Vision Paper

A bold blueprint for a world where every asset lives on-chain, powered by TX.

Download

Whitepaper

This is the most current White Paper, reflecting revised tokenomics and token structure. It will be submitted in Europe for NCA review and subsequent ESMA submission, but this has not yet occurred.

MiCA White Paper, v.1.0, was listed by ESMA on December 15, 2025. An updated version reflecting revised tokenomics is being submitted for NCA review and subsequent ESMA submission. This document does not reflect the revised tokenomics, which are described in White Paper v.1.10 available on this page. v1.0 should not be relied upon as describing the current token structure for informational or disclosure purposes.

Regulatory Status: TX is not a registered broker-dealer, investment adviser, exchange, custodian, bank, or financial institution, and is not subject to regulation as such. TX does not offer, solicit, arrange, execute, clear, or settle securities or other regulated transactions, and does not provide regulated financial services. Any regulated activities are performed solely by independent third-party providers, which are responsible for their own licensing, registration, and regulatory compliance. Nothing on this website or in the TX mobile application constitutes, or should be construed as, an offer to sell or a solicitation of an offer to buy any security, digital asset, or other regulated instrument. Any such offer or solicitation may be made only by the applicable third-party provider and only in jurisdictions where lawful.

Disclaimer: Information on the TX website and mobile application is provided for general informational purposes only and does not constitute financial, investment, legal, or tax advice. TX Labs, LC does not endorse, control, or guarantee any third-party provider, content, tools, or services and is not responsible for transactions or outcomes resulting from your interactions with third parties. The Services are provided on an “as is” and “as available” basis without warranties of any kind. Please review the Terms of Use for additional disclosures and limitations of liability.

Pricing & Data Feeds: Any prices, quotes, rates, yields, availability, and related market or asset data displayed through the Services may be provided by third parties and may be delayed, incomplete, inaccurate, or subject to change without notice. TX does not verify such information and makes no representations or warranties regarding its accuracy, timeliness, or completeness. You should independently verify all pricing and data before making decisions or entering into any transaction. Use of pricing information and data feeds is at your own risk. Data may be “indicative” only and may not reflect executable or final transaction pricing.
