Sacred Knowledge

CRYP2NOVA

You got this far, so you may as well learn the lingo.

$UFD coin = Bean
$UFD Coin Holder = Duster
Not YET a Duster = Buttercup
New members "Get their HORN"
Buying a $UFD coin = Eating a Bean
Long-term $UFD holder = Diamond Hooves
Where we hang out = Stable
Organic Marketing = Spreading the "Dust"
Call to action = Horns Up!
$UFD Car Promo Vehicle = The Duster
Our plan of action = Flight Plan
Coordinated Raid = Stampede
When Dusters control all the Beans = BeanOpoly

Archived copy · cryp2nova.com

Our unlimited potential = Dustiny
$UFD is destined for = VALHALLA!

Read Ron's Promise

Meet Rontoshi

This is Ron Branstetter, our based dev—the best, hardest working dev in all of crypto. Ron has become an inspiring leader in the Web3 space. His journey from crypto doubter to believer has struck a chord with a diverse, global audience, helping bridge the gap between traditional investment circles and the future of digital finance.
